

North Dakota Curricular Standards for School Counseling Curriculum Guide

Grade Level: 4 th -5 th	Estimated Time: 30-40 min
Standard Addressed: Standard A: Students will acquire the skills to investigate the world of work in relation to knowledge of self and to make informed career decisions.	
Benchmark Addressed: Competency A:1 Develop Career Awareness	
Specific Knowledge Introduction to the “World of Work” Map; introduction to different career choices/jobs	
Materials: The World of Work Poster from www.RUreadyND.com , “How Santa Got His Job” by Stephen Krensky, Career and Career Description cards (attached)	
Activity: A. Intro: Does anyone know what kind of job you might like to have when you grow up? B. Introduce the World of Work Poster Show students the poster. Explain the four primary tasks that circle the picture of the world. Lead them through a quick discussion of each with a few examples so they understand each of the 4 categories: <ol style="list-style-type: none">1. Data: Facts, numbers, files, business procedures2. Ideas: Knowledge, insight, theories, new way of saying or doing something3. People: Care, services, leadership, sales4. Things: Machines, tools, living things, and materials such as food, wood, or metal C. Read the “ How Santa Found His Job” book- Discuss what Santa’s interests helped make his job a good match for him D. Career Match Game (Laminate the two sets of cards.): Hand each student a career card; then pass out the descriptions randomly. Instruct students to find the person that has the description of the career that their card has on it. Once everyone has the correct description for their career card, sit down. The students read the description and the other students guess what career that is and can also add what type (data, person, thing, or idea) of job it is.
